

To: All Mid-Atlantic Region Junior Lifeguard Program Directors

We welcome you to compete in the 2009 Mid Atlantic Junior Lifeguard Regional Championships in Sea Girt, New Jersey. The actual site of the competition will be on the National Guard Training Center Beach, which is a state military beach located within the Borough of Sea Girt. This large beach is a perfect spot to host the tournament because of its size and parking availability. It is more of a natural beach - large dunes, no boardwalk, no food concession and the bathrooms and showers are located at the sand ramp entrance to the beach.

Please notify your parents, teams and people that are coming to watch that they should bring their own food and drink. Lunch will be provided for the competitors and officials only. Please let them know that they will approach a "main gate" that they will drive through to gain access to the base. They will need to stop, identify themselves and proceed into the base and towards the beach. There is ample parking at the site.

Attached to this letter are directions on how to get to Sea Girt and the National Guard Training Site. These directions must be printed out and given to all parents or vehicles to gain entry on to the base. There is also a Release and Waiver that was not sent out with the initial mailing. **THIS MUST BE SIGNED AND RETURNED WITH REGISTRATION FORMS. NO ATHLETE WILL BE ABLE TO COMPETE WITHOUT A COMPLETE FORM.** I am also attaching the registration form again for your convenience. It is also posted on our website at www.seagirtbeachpatrol.org

If you have any questions please do not hesitate to call either myself or Megan Harris, Junior Lifeguard Director at Lifeguard Headquarters at 732-449-4774 extension 17.

In closing, we look forward to seeing you on Monday. I hope you will find your visit to our beach an enjoyable one. Sea Girt is extremely supportive of its Junior Lifeguard Programs and many of our lifeguards are former Junior Lifeguards. We are responsible for 1.8 miles of beach including the National Guard Training Center Beach where you will be competing.

Sincerely,

Timothy Harmon
