

Pool schedules are posted for the summer (after June 6).

- If you cannot make an assigned time or day, you are to go to this list of guards and have them cover your shift with who is available. **NO SWITCHING OF DAYS BETWEEN GUARDS NOT ON THIS LIST. IF YOU DO YOU WILL BE SUSPENDED OR LET GO FROM YOUR POSITION.**
- Once a guard agrees to cover your shift, you are to e-mail me the day and time that you are having covered and by who.
- You will receive an e-mail from me letting you know I have received the coverage.
- No guard is to go over 40 hours in your week, (Tuesday to Monday) at any time.
- I will put the guard's phone number and e-mail in each pavilion for your access to contact them.

As we all know, there are many who take vacations and have other obligations, based on past needed coverage I am not sure that this list of availability will be enough. The guards listed are the guards who will complete their 40 hours with this coverage. Swim team hours have also not been listed. We will be adding shifts for that once we know the meet schedule. Three guards are trying for the beach, if they make the beach, those hours will also be added to the schedule for availability.

This list **as well** as the posted schedule is also based on **successful completion of swim and run test, and all certifications on file.** Refer to the announcement page for requirements.

1. **Isabel Miksic – Friday, Saturday, Monday (if she does not go over with Swim Team hours)**
2. **Eric Davis – Thursday, Friday, Sunday.**
3. **Emily Wright – Wednesday, Thursday, Saturday**
4. **Kate Foley – Saturday and Sunday,**
5. **Noelle Van Nostrand – All Days,**
6. **Caroline Petrone – All Days,**
